

artigo, [Dos Santos e Matias 2016a], uma extensão do primeiro, foi publicado no principal periódico internacional de sistemas operacionais, o ACM SIGOPS Operating System Review. O terceiro artigo, [Dos Santos e Matias 2017a], foi publicado na edição 2017 do ACM Symposium on Applied Computing (*OS Track*). Por fim, um quarto artigo, [Dos Santos e Matias 2017b], foi publicado no periódico internacional Elsevier Journal of Systems and Software.
